

BALDWIN[®] RESERVE

AUGUST 2025

INTRODUCING OUR NEWEST LINE, BALDWIN RESERVE— WHERE BOLD DESIGN MEETS PERSONAL EXPRESSION.

This isn't just hardware—it's design with a point of view. Every piece is thoughtfully made to stand out, turning everyday moments into something that feels intentional, personal, and distinctly yours. This is for those who take design personally—for the bold thinkers, the rule benders, the detail obsessors. It's for people who believe a space should speak before you do—and that great design lives in the details.

REFINED. REBELLIOUS. ANYTHING BUT EXPECTED.

**Baldwin Reserve—Reserved for those who design with purpose.
Reserved for you.**

New Designs

20+ fresh ways to make your mark

Mix + Match

Endless pairings, mixing legacy and new designs

From bold textures to rich tones, every finish is crafted to catch the light and stand up to real life. Designed to the same standard of quality Baldwin is known for, these finishes seamlessly align with the larger Baldwin portfolio. Choose from a full spectrum of designer-loved options, including our most durable PVD, timeless lacquers, and the newest standout—Living Brass.

- 003** - Lifetime (PVD) Polished Brass
- 031** - Non-Lacquered Brass
- 044** - Lifetime (PVD) Satin Brass
- 055** - Lifetime (PVD) Polished Nickel
- 112*** - Venetian Bronze
- 150*** - Satin Nickel
- 190** - Satin Black
- 260** - Polished Chrome
- 481*** - Dark Bronze
- 492** - White Bronze

** HAND-RELIEVED FINISH VARIANCES: (112, 150, 481)
Product finishes which are HAND RELIEVED may vary in luster, hue and appearance as a result of handcrafted variances in the final finishing step.*

TEN FINISHES. ENDLESS PERSONALITY.

Baldwin Reserve offers ten hand-crafted finishes so you can customize your hardware to match your design vision. From rich, character-filled tones to our new non-lacquered living finish that develops a beautiful patina over time, every option is crafted for lasting impact. Choose from three PVD Lifetime finishes with a limited lifetime warranty or over six additional finishes backed by a 25-year limited finish warranty—because style should be lived in, not worn out.

Caring for Non-lacquered Brass Living finish. Evolving beauty.
Non-lacquered brass is made to age gracefully. It's raw, authentic, and designed to develop a natural patina over time. This finish will darken, deepen, and change with use—adding character that's uniquely yours.

If you love the patina Let it evolve. Wipe with a soft, dry cloth regularly to remove dust and oils. Avoid harsh chemicals or abrasive cleaners. This finish is meant to tell a story, not stay static.

If you prefer a brighter look you can gently restore the shine using a non-abrasive brass polish. Apply with a soft cloth and buff lightly. Be mindful—cleaning will remove patina and reset the aging process.

LIMITED LIFETIME MECHANICAL WARRANTY

Except as otherwise provided below, Baldwin Hardware, warrants to the original residential purchaser that each Baldwin Reserve product shall be free of mechanical defects under normal use from the date of purchase for as long as the Purchaser occupies the residential premises upon which the Product was originally installed. This Mechanical Limited Warranty applies only to Products purchased from Baldwin or a Baldwin authorized reseller, unless otherwise prohibited by law. Baldwin Products are legitimately sold only by authorized resellers who are required to follow Baldwin’s policies, procedures, and quality control standards. Baldwin reserves the right to reject warranty claims from purchasers for Products purchased from unauthorized sellers, including unauthorized Internet sites.

LIMITED LIFETIME FINISH™ WARRANTY

The Baldwin Lifetime Finish uses advanced finishing PVD technology (physical vapor deposition) to create a finish highly resistant to the effects of weather and normal wear and tear. The Limited Lifetime Finish Warranty on Lifetime Finish™ products covers the original purchaser for as long as you own your home. This Limited Lifetime Finish Warranty applies only to Products purchased from Baldwin or a Baldwin authorized reseller, unless otherwise prohibited by law. Baldwin Products are legitimately sold only by authorized resellers who are required to follow Baldwin’s policies, procedures, and quality control standards. Baldwin reserves the right to reject warranty claims from purchasers for Products purchased from unauthorized sellers, including unauthorized Internet sites.

LIMITED 25-YEAR FINISH WARRANTY

Limited Finish Warranty: The finish on Baldwin Reserve lock products (excluding Lifetime PVD finish and Non-Lacquered 031 finish) is protected by a durable topcoat designed to maintain the beauty and quality of the Baldwin product. Except as limited below, Baldwin Hardware warrants to the Purchaser that the finish on each Baldwin Reserve locks product shall not corrode, tarnish or discolor for 25 years from the original date of purchase.

This warranty DOES NOT COVER scratches; abrasions; or deterioration due to the use of paints, solvents, or other chemicals; abuse; damage from improper installation, misuse; product(s) used in commercial applications and/or any labor required to remove or replace the product under warranty. The warranty is limited to Purchasers who occupy the residential premises upon which the product was originally installed. Proof of purchase required. Refer to www.baldwinhardware.com for a complete warranty statement. This Limited Finish Warranty applies only to Products purchased from Baldwin or a Baldwin authorized reseller, unless otherwise prohibited by law. Baldwin Products are legitimately sold only by authorized resellers who are required to follow Baldwin’s policies, procedures, and quality control standards. Baldwin reserves the right to reject warranty claims from purchasers for Products purchased from unauthorized sellers, including unauthorized Internet sites.

Door Hardware Glossary	78
------------------------	----

CONDITION OF SALE

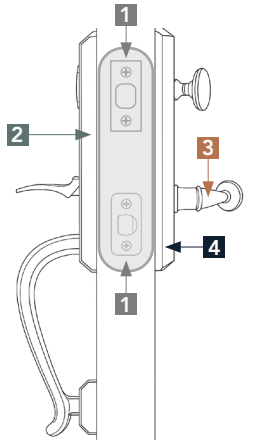

Terms + Conditions	79
--------------------	----

Before you build your perfect set, note this: your knob or lever and its rosette (or emergency egress trim) must be in the same finish. You can mix finishes on opposite sides of the door—but each side should match within itself.

EGRESS HANDLESETS

1. Required – Start your order configuration with the following required information:

1		2		3				3A		4	
Function		Style Exterior X Interior						Handing		Egress Trim	
		Egress Style Exterior		Knobs		Levers

Rustic Finishes		NOTES		OPTIONS NOTES	
481 Dark Bronze		• Handing required when ordering half dummy function, and with orders that will be split finish, split lever style, or split with a knob. Handing always measured from the exterior of the door.		*Orders will ship with default options in bold unless otherwise specified.	
492 White Bronze		• Indicate Exterior x Interior style, rose, or finish when ordering split styles, roses, or finishes - if single style, rose, or finish, specify only once.		Thick and Thin Door Service Part Kits are available for order (pg.46). UL Latch Service Part Kits are available for order (pg.43).	

Baldwin Reserve offers additional options to ensure the product meets your project specification.

- Options Include: Strike, Cylinder, and Keying.
Service Part Kits for Door Thickness and Latch Type are also available.
- Add custom options to the product description based on the example format below.
- For all of our symmetric levers, handing is not necessary and automatically revers to R (right).

QTY 2 EN.CUR.R.TRR.150.6L.DS.CKY.KC

Function	Style	Handing	Rose	Finish	Latch	Strike	Cylinder	Keying
Required					Options			

If no options are specified, the product will ship with:

- 6-Way Adjustable Latch with Dual Strikes
- Keyed different (if keyed product)
- C-Keyway cylinder

Door Thickness	Latch	Strike	Cylinder	Keying	List Price Adder
Handlesets/Deadbolts 1.75" to 2" Doors	(6L) 6 Way Latch Kit	(DS) Dual Strike Kit	(CKY) C-Keyway Pin & Tumbler	(KD) Keyed Different	N/A
(STD) Patio Deadbolts 1.375" to 2" Doors			(SMC) SmartKey in the C Keyway (now available across all keyed platforms: handleset, deadbolt, & keyed entry)	(KC) Key Code	N/A
Knobs/Levers 1.375" to 2" Doors				(CK) Construction Key*	\$18.00
				(MK) Master Key*	\$18.00
*Construction Key and Master Key not available with SmartKey cylinder. Thick Door Service Part Kits are available for order (pg.46). UL Latch Service Part Kits are available for order (pg.43).					

Orders will ship with default options, in bold above, unless otherwise specified

CYLINDER

(CKY) C-KEYWAY PIN AND TUMBLER
All keyed locks will ship CKY unless otherwise specified.

(SMC) C-KEYWAY SMARTKEY
Keyed locks will ship with a C-Keyway Smartkey cylinder, allowing the user to easily rekey their locks to any C-keyway key code within seconds.

KEYING

(KD) KEYED DIFFERENT
All keyed locks will ship KD unless otherwise specified.

(KC) KEY CODE AND KEYED ALIKE
Keys lock to a specific key-cut or indicates the keyed product to be keyed alike. For specific key-cuts, please include the key code in the purchase order request.

(MK) MASTER KEYING
Allows multiple keys to operate a single lock. Often used in multi-family applications for owners and tenants.

Allows maintenance access.
Example. SC.TRD.150.MK 59579

- 1

2
- MK indicates the cylinder should be Master Keyed.
 - Represents the Master Key Code – must be specified when ordering.

(CK) CONSTRUCTION KEYING
Allows a builder to operate a lock during Construction. Once the homeowner uses their key, the builder key is rendered inoperable.

Example. SC.TRD.150.CK 35829

- 1

2
- CK indicates the cylinder should be Construction Keyed.
 - Represents the builder key code – must be specified when ordering.

4015

4252

Finish: 003, 031, 044, 055, 056, 112, 190, 260, 402

Item #	Description	Per Box	Wt.	Price
4045.xxx	Wall Door Bumper – 3" Proj., 1.1875" Dia.	10	0.7	\$29

FEATURES:

Solid forged brass Construction for maximum strength and durability. Stem of bumper has hexagon section to facilitate fastening without damaging finish. Resilient rubber guard is replaceable.

PACKED:

Individually poly-bagged with appropriate fasteners (1 per poly bag).

FASTENERS:

Supplied with wood screw thread.

Federal Specification Equivalents: Government Type: 1322

BHMA DESIGNATION: L02031

Finish: 003, 031, 044, 055, 056, 112, 190, 260, 402

Item #	Description	Per Box	Wt.	Price
4505.xxx	Floor Bumper – 1.187" Dia.	10	4	\$44

FEATURES:

Designed for concealed mounting applications, this contemporary floor bumper contains the mounting screw within the body of the bumper. The rubber insert is located .798" (20mm) from the bottom to function on doors with a .375" (9.5mm) to a 1" (25mm) undercut. To facilitate the replacement of the rubber guard, simply remove the top cap.

PACKED:

Individually poly-bagged with appropriate fasteners.

ORDERING INSSRUCTIONS:

Supplied with a wood screw and plastic anchor.aa.

REPLACEMENT RUBBER:

No. 4507.406.00035 (Grey)

Finish: 003, 031, 044, 055, 056, 112, 190, 260, 402

Item #	Description	Per Box	Wt.	Price
4000.xxx	Half Dome Door Bumper – 1"Ht.	50	12	\$27
4005.xxx	Half Dome Door Bumper – 1.2"Ht.	40	16.6	\$27

FEATURES:

"Half Dome" design minimizes stumbling hazards and cleaning interference. Thick solid rubber bumper of special design is compounded for greater resiliency.

PACKED:

Individually poly-bagged with appropriate fasteners in a dispensing type carton.

FASTENERS:

Supplied with fasteners for wood, plaster, and masonry installations.

FEDERAL SPECIFICATION EQUIVALENTS:

Government Type: 1330/1330A

BHMA DESIGNATION:

L02141 (No. 4000), L02161 (No. 4005)

REPLACEMENT RUBBER:

No. 4000.406 for 4000/4005 (Grey)

Finish: 003, 031, 044, 055, 056, 112, 190, 260, 402

Item #	Description	Per Box	Wt.	Price
4015.xxx	Wall Flush Bumper – 1"Dia.	1	0.8	\$24
4252.xxx*	Wall Flush Bumper – Convex Design	1	10	\$24

4015 FEATURES:

Compact designed bumper permits installation in areas where larger bumpers are not suitable due to size or projection. Fasteners are totally concealed underneath durable rubber insert.

4252 FEATURES:

Engineered for commercial/residential installations, this compact and contemporary designed bumper features completely concealed fasteners for an unobtrusive and screwless appearance. Supplied with wood and masonry fasteners, it is furnished unassembled to facilitate the substitution of fasteners. Designed for ease of installation, the bumper is attached onto a heavy gauge metal back plate through a threading application. For a fully theft proof installation, the use of a strap wrench for tightening or several drops of Loctite Grade A is recommended.

4252 PACKED:

Individually poly-bagged with appropriate fasteners in a dispensing type carton.

FEDERAL SPECIFICATION EQUIVALENTS:

Government Type: 1327 (4252 only)

BHMA DESIGNATION:

BUILDING A SERVICE PART NUMBER

8BR0501-XXX

➔ FINISH SUFFIX

➔ CORE PART NO.

To create service part # combine core and function suffix.

Example: **8BR0501-001**
For Single Cylinder screwpack in polished brass (Standard door thickness).

TO ORDER: COMBINE PART NO. AND FINISH SUFFIX EX: 8BR0801-XXX AND -003 = 8BR0801-003

A-Z GLOSSARY OF HARDWARE TERMS
BACKSET - The distance from the edge of the door to the center of the bore hole. Most residential doors are either 2-3/8" or 2-3/4". <i>Our adjustable latches fit both with ease.</i>
BORE HOLE - The circular hole drilled into the face of the door where the knob or lever installs. It's the core of the door hardware system.
DOOR CASING - The trim or molding that frames the door opening. It adds architectural style and conceals the gap between the wall and the frame.
DOOR JAM - The vertical portion of the door frame that the door closes against. It supports the strike plate and helps form a secure seal.
DOOR PREP (STANDARD BORE PREP) - The industry-standard door setup—usually a 2-1/8" bore hole with a 1" edge bore. <i>Reserve by Baldwin is engineered to align seamlessly with this format.</i>
DOOR RAIL - The horizontal sections of a door, typically at the top, middle, and bottom. Together with stiles, they define the door's structure and style.
DOOR STILE - The vertical components on the left and right edges of a door. Essential to the door's design and the mounting point for most hardware.
DOOR STYLE - The overall look and feel of the door—modern, paneled, farmhouse, flush. <i>Reserve hardware is designed to complement a wide range of styles, not compete with them.</i>
DOOR THICKNESS - The measurement from one face of the door to the other. Standard thickness is 1-3/8" to 1-3/4". <i>Reserve fits most with flexible options for more.</i>
DOOR TRIM - The horizontal sections of a door, typically at the top, middle, and bottom. Together with stiles, they define the door's structure and style.
DOUBLE CYLINDER DEADBOLT - The vertical components on the left and right edges of a door. Essential to the door's design and the mounting point for most hardware.
DUMMY (FULL DUMMY) - A set of non-functioning knobs or levers on both sides of a door. Used for double doors or decorative applications. <i>All style, no mechanism.</i>
DUMMY (HALF DUMMY) - A non-turning knob or lever on one side of a door. Perfect for shallow closets or one-sided aesthetics. <i>Just the look, exactly where you want it.</i>
EMERGENCY EGRESS - From the inside, simply turn or push the knob or lever to exit—no unlocking required. <i>Every Reserve Full Escutcheon keyed entry set includes this feature for safe, intuitive exits.</i>
ENTRY FUNCTION - The distance from the edge of the door to the center of the bore hole. Most residential doors are either 2-3/8" or 2-3/4". <i>Our adjustable latches fit both with ease.</i>
HANDING - Describes which way your door swings—left, right, in, or out. <i>Many Reserve levers are reversible, making it easy to get the right fit.</i>
KEYED KNOB OR LEVER - A locking knob or lever operated with a key. <i>Reserve pairs secure access with elevated design details, inside and out.</i>
LATCH - The spring-loaded component that keeps the door shut without locking it. It retracts when the knob or lever is turned.
MORTISE LOCK - A robust, high-end locking system built into a deep pocket cut into the door. <i>Premium security with unmistakable presence.</i>
PASSAGE FUNCTION - A non-locking set used where privacy isn't needed—hallways, closets, and pantry doors. <i>Always open, always simple.</i>
PRIVACY PIN - The small hole on the outside of a privacy set that allows emergency access—usually with a pin tool. <i>Discreet safety, built in.</i>
ROSE (ROSETTE) - The decorative backplate behind a knob or lever. <i>Reserve offers a range of trim styles, from minimalist to bold, all built to mix and match.</i>
SINGLE CYLINDER DEADBOLT - A deadbolt with a key on the outside and a thumb turn on the inside. <i>The most common setup, streamlined for security.</i>
SMARTKEY - Technology that allows you to rekey your lock in seconds—no locksmith required. <i>Included on all Reserve keyed entry sets for fast, flexible control.</i>
STRIKE PLATE - The metal plate on the door frame that the latch or deadbolt fits into. It reinforces the door closure and ensures proper alignment.
THUMB PRESS - A vertical push mechanism often used on exterior handle sets. Push down to open. <i>Smooth, tactile, and satisfying every time.</i>
THUMB TURN - A small lever on the interior side of a lock. Turn it to lock or unlock the door without a key. <i>Secure from the inside, without overthinking it.</i>
TUBULAR LOCK - A common lock type where the latch and mechanism fit into cylindrical holes. <i>Reserve uses tubular locks for fast installation and lasting performance.</i>

CONDITIONS OF SALE
TERMS: 2%/25 Days, Net 30
SHIPPING: U.S. Customers – F.O.B. Locks in Charlotte, NC and Accessories in Edgerton, KS. Full freight allowed on Baldwin Reserve purchase orders sent through routing of our selection. Delivery is made to curb or dockside only. Freight allowed shipments to Alaska will be prepaid to Seattle, to Hawaii will be prepaid to San Francisco, and to Puerto Rico will be prepaid to Miami. Upon delivery to the transportation company, shipments become the property of the purchasers, who assume full risk for loss or damage in transit. International Customers – Orders will ship FCA to U.S. city specified on the commercial invoice. Exceptions will be subject to the INCO terms stated on the commercial invoice. Canadian customers should contact their sales representative for variations to these terms.
CLAIMS: All claims, whether referring to errors in prices, filling orders, or for defective goods, must be submitted IN WRITING within 30 days after receipt of shipment. Each claim must be in writing, briefly describe the defect, be accompanied by a proof of purchase and be received during the lifetime of the product or during the period that the original consumer purchaser owns the product. The claimant must provide to his or her Baldwin dealer or retailer other information and evidence reasonably required by Baldwin and, if requested, must permit inspection of the product by Baldwin or its representatives. If, after investigation, Baldwin determines that the claim is valid, the remedy will be performed by or on behalf of Baldwin in accordance with the above heading, "Remedies".
FREIGHT: Baldwin Reserve lock products are made-to-order and ship within five to seven business days from the time the order is entered, unless otherwise communicated. To expedite shipping, Baldwin offers expedited freight services for a fee; please contact customer service for details. All shipping lead times are from the date the order is entered into the Baldwin system.
MINIMUM ORDERS: There is no minimum order quantity.
COMBINED ORDERS: Baldwin Reserve orders can be combined with other Baldwin products on the same purchase order; combined orders will ship separately
"Shipping complete" is not available for combined orders of Baldwin Reserve with other Baldwin products.
ORDERS: We reserve the right to decline the whole or part of orders in which the price, finishes or quantity of goods is not satisfactory to us. We reserve the right to discontinue items or change specifications at any time without notice and without incurring any obligations. The corporation cannot be liable for extended delivery dates which may result in the cancellation of an order.
RETURNED GOODS: Returned goods will not be accepted unless authorized in writing by Baldwin within 120 days of invoice date. A minimum of 25% handling charge and freight will be charged on all items returned in original condition. An 80% handling charge will be imposed on all damaged products. Special and custom products are not returnable for credit. No credit will be given for items returned without written authorization, nor will the items be returned to the customer. Authorized returns become void after a period of 30 days from issue date of the Returned Goods Authorization. All credit returns must be shipped to a location specified by Baldwin, FREIGHT PREPAID.
CANCELLATIONS AND CHANGES: While Baldwin will attempt to comply with a customer's request to cancel/change an order, we cannot guarantee this can be accomplished before the factory begins assembly. A 25% handling charge will be applied to cancellations where assembly has started before receipt of a customer's change order request.
PRICES: The list price effective on the date the customer order is received will determine billing price. Prices are subject to change without notice. Orders being held by Baldwin because of account credit status may be re-priced to the price in effect the day the order is released by the Baldwin Credit Department. Orders requiring delivery in excess of three (3) months will be billed at prices in effect at time of shipment, unless quoted to the contrary in writing by our company.
SPECIFICATIONS: Packing, weights, measurements, and design are subject to change without notice.
