Door Groove Cutter

ZMU003

The router cutter that we use on our own doors is now available for your use. This cutter is custom made to cut a groove slot that suits the CS range of T-Guides.

Features:

- Custom made to suit the CS range of T-Guides
- Cut accurate grooves - quickly and easily

Note: Groove cut dimensions should be checked regularly to make sure cut is to spec. If not, cutters will need to be retipped.
