In the event that Corbin Russwin does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of Corbin Russwin to enforce or require strict performance of such term or condition in the future.

**FREIGHT**

All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

Customer orders with net product value in excess of $12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice to a single destination point in the United States.

The minimum freight and handling charge will not apply to orders for only Cut (bitted) keys of any type, Master Keys, Master keyed cylinders or padlocks and factory generated bitting lists that do not have any other product types included on the order. Freight on these orders will be charged as the percentage of invoice value.

For orders with net product value greater than $400.00 and less than $12,000.00, freight charges will be calculated as a percentage of the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each month. Packing – Corbin Russwin will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that Corbin Russwin will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

**QUOTATIONS**

If Corbin Russwin elects to offer a quote, such quote will be valid until the expiration date on that quote.

**Only one quote is accepted per purchase order.**

Any invoiced order that has the incorrect discount applied to it and did not have the quote number written on the order will have a service fee of $100.00 net DEDUCTED from any sales credit issued for the difference in discount. The quote is null and void if the Purchase Order does not include ALL product lines listed on the quote or if the quantities for any item covered by the quote deviate by 10% or more. With the issuance and acceptance of a quote for the purchase of products,the Purchaser agrees that products so purchased will not be resold or transferred to any Distributor not authorized by Corbin Russwin to sell its products. This would be inclusive of branches of the quoted Distributor. Failure to abide by this restriction may result in the Distributor's ineligibility for Quotations, or other actions in Corbin Russwin's discretion. Corbin Russwin and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a Distributor's request to quote a price other than Corbin Russwin's standard list price and regardless of whether Corbin Russwin or its sales representatives have previously quoted discounted prices to the Distributor on some or all of its purchase orders.

**NON-CATALOGED PRODUCTS**

Products not cataloged or listed in this price book will be considered as special products, and will not be manufactured without prior written approval from Corbin Russwin. Special products require special handling, and therefore standard lead times may not apply. Please consult with your Sales Representative for further details.

**CHANGES/CANCELLATION OF ORDERS**

Changes or cancellations to an order will result in a charge of costs for material and labor expenses that have been incurred prior to notification from Customer. If products have already been made and/or are located in the shipping room, the 45% change/cancellation fee will apply. Handling charges are billed on Customer's original order. All Non-Cataloged Goods and Corbin Russwin Quick Ship Orders may not be changed or canceled.

Orders with insufficient information for processing (i.e. keying information, door sizes, handing, etc.) may be subject to extended lead times which are relative to the time required in obtaining the necessary information for order processing. Manufacturing lead time will begin once all information is received to process an order. Corbin Russwin will use reasonable efforts to deliver products as estimated, but makes no guarantees as to delivery dates. Corbin Russwin will not be liable for back charges incurred based on availability of product or as a result of delays in delivery caused by insufficient information required to process an order. Corbin Russwin will not be held responsible for delays in delivery caused by strikes, fires, floods or any other causes beyond our control, including the delivery of material to us. Under no circumstances shall Corbin Russwin be liable or accountable for consequential damages due to failure of delivery.
