ACCEPTANCE

Corbin Russwin reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, Quote Requests, Acknowledgments or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on Corbin Russwin, unless such terms and conditions are approved in a separate written agreement by Corbin Russwin's authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by Corbin Russwin, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in Purchaser's Purchase Order. The terms and conditions in Purchaser's Purchase Order which conflict with the terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between Corbin Russwin and the Purchaser.

In the event that Corbin Russwin does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of Corbin Russwin to enforce or require strict performance of such term or condition in the future.

PRICES

All prices are subject to change without notice and are not guaranteed. Possession of this price list does not constitute an agreement to sell. We reserve the right to correct any errors at any time.

Price Adjustments and/or Surcharges may be necessary due to a change in laws, including but not limited to, tariffs, duties and surtaxes. Any price change, if applicable, are in addition to any regularly announced price adjustments and are subject to implementation without advanced notice.

TERMS

Invoices dated the 1st through the 15th will be due for 2% discount on the *10th of the following month. Invoices dated the 16th through the 31st will be due for 2% discount on the *25th of the following month. *Net immediately thereafter. (Corbin Russwin retains the right to sell or to decline to sell to any Customer for any reason whatsoever when in its judgment is deemed sufficient.)

It is understood that Corbin Russwin may impose and charge a finance charge which is the lesser of one and one-half percent (1-1/2%) per month or the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

FREIGHT

All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

Customer orders with net product value in excess of \$12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice to a single destination point in the United States.

Customer orders with net product value less than \$12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice and freight and handling charges will be added to the customer's invoice.

A minimum freight and handling charge of \$15.00 will be charged on orders with net product value of \$400.00 or less. The minimum freight and handling charge will not apply to orders for only Cut (bitted) keys of any type, Master Keys, Master keyed cylinders or padlocks and factory generated bitting lists that do not have any other product types included on the order. Freight on these orders will be charged as the percentage of invoice value.

For orders with net product value greater than \$400.00 and less than \$12,000.00, freight charges will be calculated as a percentage of the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each month. The new rate will be published on the Corbin Russwin and Door Security Solutions extranet and will go into effect for shipments beginning on the 1st day of the month. Terms and Conditions continued

Packing – Corbin Russwin will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that Corbin Russwin will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

QUOTATIONS

If Corbin Russwin elects to offer a quote, such quote will be valid until the expiration date on that quote.

Only one quote is accepted per purchase order.

Complete shipment of the order must be accepted by Purchaser within standard manufacturing lead times. The quote number must be referenced on the purchase order. Any invoiced order that has the incorrect discount applied to it and did not have the quote number written on the order will have a service fee of \$100.00 net DEDUCTED from any sales credit issued for the difference in discount. The quote is null and void if the Purchase Order does not include ALL product lines listed on the quote or if the quantities for any item covered by the quote deviate by 10% or more. With the issuance and acceptance of a quote for the purchase of products, the Purchaser agrees that products so purchased will not be resold or transferred to any Distributor not authorized by Corbin Russwin to sell its products. This would be inclusive of branches of the quoted Distributor. Failure to abide by this restriction may result in the Distributor's ineligibility for Quotations, or other actions in Corbin Russwin's discretion. Corbin Russwin and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a Distributor's request to quote a price other than Corbin Russwin's standard list price and regardless of whether Corbin Russwin or its sales representatives have previously quoted discounted prices to the Distributor on some or all of its purchase orders.

NON-CATALOGED PRODUCTS

Products not cataloged or listed in this price book will be considered as special products, and will not be manufactured without prior written approval from Corbin Russwin. A minimum special handling charge of \$50.00 will be added for non-cataloged product. Any additional labor or material required will be charged accordingly. Special products require special handling, and therefore standard lead times may not apply. Please consult with your Sales Representative for further details.

CHANGES/CANCELLATION OF ORDERS

Changes or cancellations to an order will result in a charge of costs for material and labor expenses that have been incurred prior to notification from Customer. If products have already been made and/or are located in the shipping room, the 45% change/cancellation fee will apply. Handling charges are billed on Customer's original order. All Non-Cataloged Goods and Corbin Russwin Quick Ship Orders may not be changed or canceled.

All change requests for goods, other than for the reasons stated above, must be submitted in writing to Customer Service within two (2) business days of receipt of acknowledgment of the order.

PACKAGING

Many items are defined as to Case Lot Packaging or Minimum Order. The Case Lot policy does not apply to hardware to be used on a specific hardware project.

DELIVERY

Orders will be acknowledged and given a scheduled delivery date based on estimated manufacturing lead times. Complete information is required to process all orders. Orders with insufficient information for processing (i.e. keying information, door sizes, handing, etc.) may be subject to extended lead times which are relative to the time required in obtaining the necessary information for order processing. Manufacturing lead time will begin once all information is received to process an order. Corbin Russwin will use reasonable efforts to deliver products as estimated, but makes no guarantees as to delivery dates. Corbin Russwin will not be liable for back charges incurred based on availability of product or as a result of delays in delivery caused by insufficient information required to process an order. Corbin Russwin will not be held responsible for delays in delivery caused by strikes, fires, floods or any other causes beyond our control, including the delivery of material to us. Under no circumstances shall Corbin Russwin be liable or accountable for consequential damages due to failure of delivery.

CLAIMS

In the event of Company or Customer error, claims for shortages, pricing errors and/or incorrectly filled orders must be submitted in writing to Customer Service within thirty (30) days from receipt of material. Any claims for shortages or damage by the Carrier must be made by the Customer directly to the Carrier.

INVOICE DEDUCTION

A Corbin Russwin Sales Representative or Customer Service Representative must be notified of any disputed invoices within sixty (60) days from the date of invoice. Deductions should only be taken for the disputed amount and the balance of the invoice is due and payable within standard payment terms.

Corbin Russwin products are not designed or intended for aftermarket modification. The warranty on Corbin Russwin products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. Warranty voiding modifications include, but are not limited to, third-party electrification of non-electric products and/or the installation of non-approved or non-Corbin Russwin components.

If a Corbin Russwin product is modified it no longer meets industry certification and quality control standards applicable to the original product and is no longer a genuine Corbin Russwin product. A modified product may not be sold as a Corbin Russwin product and the Corbin Russwin and Design® trademark or certification marks based on the original Corbin Russwin product, such as U.L. or ANSI/BHMA marks, may not appear anywhere on the modified product or on any packaging, literature, or instructions sold with the modified product.

All original Corbin Russwin packaging and literature carries the Corbin Russwin and Design® trademark and must be destroyed if the original Corbin Russwin product is modified. Portions of the product that carry the Corbin Russwin and Design® trademark or certification mark must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and marking are also the responsibility of the party making modification. The use of the Corbin Russwin and Design® trademark on modified products constitutes trademark infringement.
