Online ordering is available through Overtur™ Estimate and Order (OEO)

OEO offers much more than placing online orders including:

- Provides net price for direct customers and list price for indirect customers, integrator partners and end-users
- Online Ordering for direct customers
- Automated price updates
- Ability to export price lists and cross-reference guides in Excel
- Configuration and configuration reports, including e-lock configurations
- Request a quote or quote revision from an estimate
- Keying Guide
- Library pre-built hardware sets

How to get it:

1. Login or register at <http://360portal.allegion.com>
2. Find the Estimate and Order Icon and follow the instructions to request access
3. The Online Ordering team will begin working on your access with your Allegion Sales Representative

You can **configure and price a full range of products** using the tables and rules shown in this book.

The simplified structure of pricing and product data in this book creates an easier configuration experience and a quicker update process for future price increases. Pricing logic used in this format makes the product and price easier to understand and has enabled Allegion to provide customers with a **digital data set of pricing, available for download at <http://360portal.allegion.com>**.

As a result, the **How to Order formats have been updated to match the Allegion Catalog Nomenclature (ACN) logic**. ACNs are descriptive, unique identifiers that set standards on how to order products and require default, consistent naming conventions for all product attributes across Allegion brands.

Published in this book are ACNs for the most **commonly ordered product configurations**. These were created for easy access when creating basic orders.

How to order a common product

Common products can be ordered using the standard Allegion Catalog Nomenclature (ACN). The ACN a unique, descriptive identifier for Allegion products. Each attribute in an ACN must be separated by a period but there is no need to detail out all of the default product attributes. Default product attributes are listed for each series. All closers conform to standards UL10C and UBC 7-2 (1997).

- Any field shown with brackets [] must be filled in
- Finishes should be listed using their BHMA finish as shown in this book
- When a dimension is required, fractions of an inch will be written with the “/” symbol separating the numerator and the denominator (example 1/2)
- For dimensions that contain a whole number and a fraction, a hyphen “-” will be added after the whole number and before the fraction (example 2-1/2)

ACN for these commonly ordered products				PRICE BASED ON FINISH				
				POWDER COAT		PLATED (INCLUDES METAL COVER)

Handed

If you do not see the product you need published with an ACN, you can **configure and price any product using the tables and rules shown** at the bottom of each page.

How to order less common products

LCN default and common products can be modified to include options such as SRI, alternate covers, custom header lengths, options, etc. Modifications are available using the rules and price adjustments at the bottom of each page. If an item or price is not listed, please consult the factory for availability and pricing.

- All applicable product attributes must be provided in the order shown below
- Each value must be separated by a period
- Finishes should be listed using their BHMA finish as shown in this book
- When a dimension is required, fractions of an inch will be written with the “/” symbol separating the numerator and the denominator (example 1/2)
- For dimensions that contain a whole number and a fraction, a hyphen “-” will be added after the whole number and before the fraction (example 2-1/2)

|---|---|

Powder coat finishes

LCN closers can be specified in six standard or over 150 custom powder coated finishes. Powder coating provides superior protection against the effects of weathering and provides a durable, chip resistant finish. For information about custom finishes, plated finishes and a special rust inhibiting (SRI) process, see the [LCN General Information Catalog](#).

Standard powder coated finishes

LCN powder finishes exceed ANSI/BHMA standard A156.4 for corrosion resistance by at least a factor of four. LCN powder coat finishes combined with the LCN Special Rust Inhibitor (SRI) pretreatment exceed this standard even further.

- 622 Matte Black (MTBLK)
- 689 Aluminum (AL)
- 690 Statuary Bronze (STAT)
- 691 Light Bronze (LTBRZ)
- 693 Gloss Black (GLBLK)
- 695 Dark Bronze (DKBRZ)
- 696 Brass (BRASS)

 See the [LCN General Information Catalog](#) for colors

Optional custom powder coated (RAL) finishes

 [View custom powder coat \(RAL\) finishes](#)

- 150+ custom finishes (contact customer service for availability)
- LCN also offers a Brite Metallic (MTLPC) powder coat finish
- Superior appearance
- Environmentally friendly process
- Durable and chip resistant
- Corrosion resistant
- Match doors, frames, and hardware

Note: Custom powder coat finishes require a metal cover.

Optional SRI

When powder coated closers are installed in high humidity or potentially corrosive installations like swimming pools, water treatment facilities or near large bodies of water, specify LCN SRI pretreatment. This optional process is applied prior to the LCN powder coat finish and greatly exceeds ANSI/BHMA Standard A156.4 for corrosion resistance.

Optional plated finishes

LCN offers 7 plated finishes at additional cost. LCN plated finishes exceed ANSI/BHMA standard A156.4 for corrosion resistance.

- 616 Satin Bronze, Blackened (US11)
- 632 Bright Brass (US3)
- 633 Satin Brass (US4)
- 639 Satin Bronze (US10)
- 646 Satin Nickel (US15)
- 651 Bright Chrome (US26)
- 652 Satin Chrome (US26D)

1450 SERIES

The 1450 Series cast aluminum closer was specially designed to deliver consistent, dependable, long-term performance in frequently-used, low-abusive traffic areas. With industry's most common hole pattern it can fit a range of applications like aftermarket replacement, aluminum storefronts and new construction projects.

4410ME SERIES

The 4410ME SENTRONIC® is a heavy duty, electrically controlled closer/holder designed to provide infinitely adjustable hold-open for fire and smoke barrier doors. Door is held open until current interruption releases mechanism and the door closes. Double lever arm closer is specifically designed for interior doors. Choice of finishes, cylinder functions, and installation accessories meet virtually all life safety requirements.

DOOR THICKNESS	Specify
Specify if door thickness is different than 1-3/4" when choosing a through bolt screw pack	[]

Handing required

4310HSA SERIES

The 4310HSA SENTRONIC® is an electrically controlled closer/holder designed to provide easy passage for groups of pedestrians through high traffic doors. Pedestrians, moving through the doorway, trigger the built-in scanner. When the door is opened to 80° or more, the door is electrically held open to minimize wear and tear on applied door hardware. After the last pedestrian in a group passes through the doorway, the system timer releases the hold-open, closing the door under control of the heavy duty closer. Single lever (track) arm closer is specifically designed for pull side mounting. Choice of finishes and accessories meet virtually all high traffic installation requirements.

DEFAULT AND COMMON CONFIGURATIONS

Pricing includes default options shown at left unless otherwise specified. Specification rules, additional options and pricing adders are shown in the tables below.

2210 SERIES

The concealed 2210 Series, heavy duty, high security track closer features complete concealment with special components to minimize tampering and vandalism. Forged steel, single lever arm and heavy steel mounting plate are designed for correctional, vandal prone, institutional, and other high traffic applications. A choice of finishes and cylinder functions meet correctional and vandal resistant requirements.

4510 SERIES

The 4510 Smoothee Series is a heavy duty, high security closer with special components to minimize tampering and vandalism. Forged steel double lever arms and heavy gauge metal security covers are designed for correctional, vandal prone, institutional and other high traffic applications. A choice of finishes and cylinder functions meet correctional and vandal resistant requirements.

DEFAULT AND COMMON CONFIGURATIONS

Pricing includes default options shown at left unless otherwise specified. Specification rules, additional options and pricing adders are shown in the tables below.

Cylinder

Cast Iron Cylinder Assembly (CYL)

Cover

Metal Cover (MC)

Screw package

Wood and Machine Screws (WMS)

BAA Compliant

See the [Allegion Buy America/Buy American and Trade Agreement Acts \(BAA and TAA\) Compliance Guide](#) for full details.

! The 4820 requires a control box and air source to complete the system. It can be paired with a 7980 Series control box with a built-in compressor or a 7900 Series control box along with a third party compressor or building's air system. See LCN control boxes on page 91.

SPECIFICATION RULES, ADDITIONAL OPTIONS AND PRICING ADDERS

Order of attributes when placing an order for a non-standard configuration. See Parts Section on page 95 for individual parts pricing. Attributes shown in CAPS are required. Other attributes are required only if you are deviating from the product's default.

MODEL . Cylinder . ARM TYPE . FINISH . Screw pack . Flush ceiling application . Door thickness

PNEUMATIC

4840 SERIES

The 4840 Auto Equalizer™ is LCN's pneumatic solution for door mounted, parallel arm, push side applications. This low-energy automatic operator is designed for primarily manual scenarios with occasional automatic actuation.

Shown with 4840-459 door loop

7900 SERIES CONTROL BOXES

- Use -925 Pneumatic Tubing to connect operator and control box
- 7900 Series Control Boxes require a separate air source

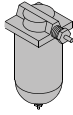

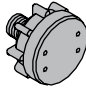

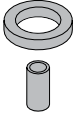

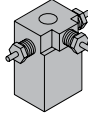

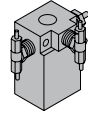

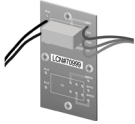

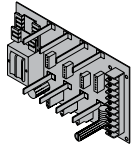

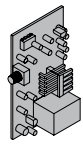

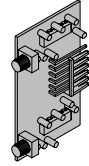

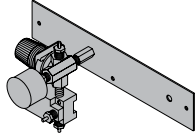

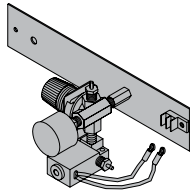

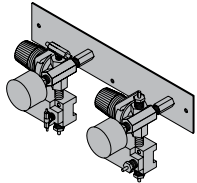

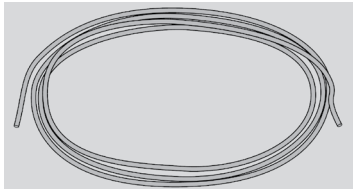

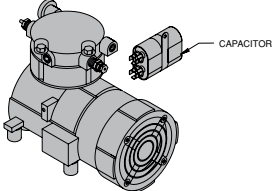

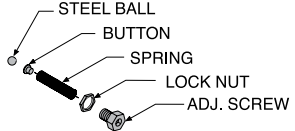

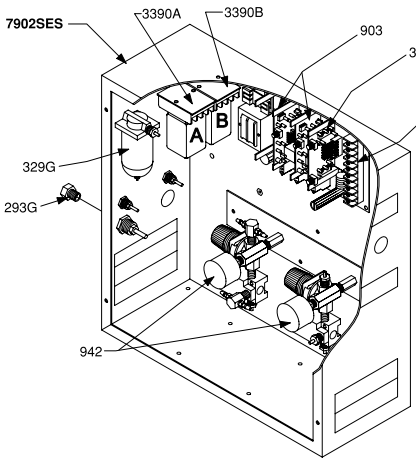

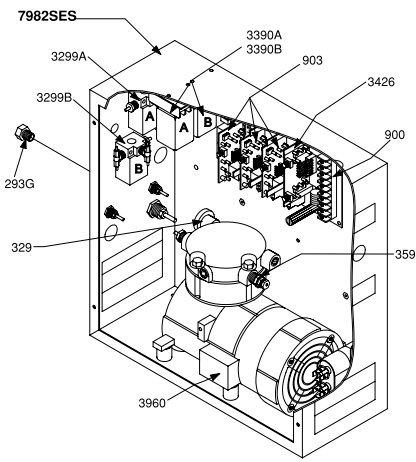

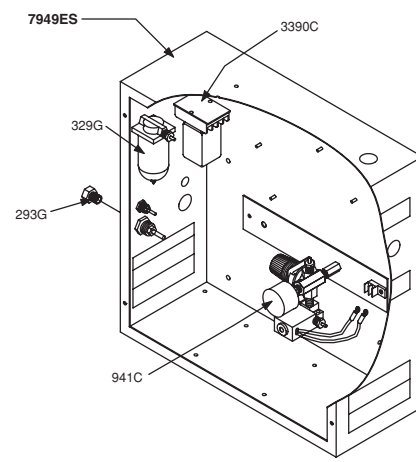

Dimensions: 15" x 15" x 6"

7980 SERIES CONTROL BOXES	Specify	Price
7980 Series Control Boxes should be installed within 50 linear tubing feet of the automatic operator(s).		
Control Box, Pneumatic Internal Compressor - Self-contained control box/compressor combination for single door application. Includes -3960 Compressor Assembly.	7981	\$5,291.00
Control Box, Pneumatic Electric Strike (ES) Relay, Internal Compressor - Self-contained control box/compressor combination for single door application. Includes -3960 Compressor Assembly, -3390A Relay.	7981ES	\$6,145.00
Control Box, Pneumatic Internal Compressor - Self-contained control box/compressor combination for either independent or simultaneous operation of two (2) door leaves. Includes -3960 Compressor Assembly.	7982	\$7,491.00
Control Box, Pneumatic Sequential (S) Feature, Internal Compressor - Self-contained control box/compressor combination for independent, simultaneous or sequential operation of two (2) door leaves. Includes -3960 Compressor Assembly, -3426 Sequencer Card.	7982S	\$8,140.00
Control Box, Pneumatic Electric Strike (ES) Relays, Internal Compressor - Self-contained control box/compressor combination for independent or simultaneous operation of two (2) door leaves. Includes -3960 Compressor Assembly, -3390A & -3390B Relays.	7982ES	\$8,995.00
Control Box, Pneumatic Sequential (S) Feature, Electric Strike (ES) Relays, Internal Compressor - Self-contained control box/compressor combination for independent, simultaneous or sequential operation of two (2) door leaves. Includes -3960 Compressor Assembly, -3390A & -3390B Relays, -3426 Sequencer Card.	7982SES	\$9,566.00
7900 SERIES CONTROL BOXES	Specify	Price
7900 Series Control Boxes should be installed within 100 linear tubing feet of the automatic operator(s).		
Control Box, Pneumatic - Single door application or independent control of single door in multiple door systems. Two door leaves can be operated, if activated simultaneously. Requires a separate air source, by others.	7901	\$3,621.00
Control Box, Pneumatic Electric Strike (ES) Relay - Single door application or independent control of single door in multiple door systems. Two door leaves can be operated, if activated simultaneously. Includes -3390A Relay. Requires a separate air source, by others.	7901ES	\$4,476.00
Control Box, Pneumatic - Independent operation of two (2) door leaves or simultaneous and/or sequential operation of four (4) door leaves. Requires a separate air source, by others.	7902	\$4,967.00
Control Box, Pneumatic Sequential (S) Feature - Independent operation of two (2) door leaves or simultaneous operation and/or sequential operation of four (4) door leaves. Includes -3426 Sequencer Card. Requires a separate air source, by others.	7902S	\$5,617.00
Control Box, Pneumatic Electric Strike (ES) Relays - Independent operation of two (2) door leaves or simultaneous of four (4) door leaves. Includes -3390A & -3390B Relays. Requires a separate air source, by others.	7902ES	\$6,513.00
Control Box, Pneumatic Sequential (S), Electric Strike (ES) Relays - Independent operation of two (2) door leaves or simultaneous and/or sequential operation of four (4) door leaves. Includes -3390A & -3390B Relays, -3426 Sequencer Card. Requires a separate air source, by others.	7902SES	\$7,084.00
Control Box, Pneumatic, Auxiliary 'Blow-Open' - Control box works with or without 7901/7902 Series Control Box and one or two pneumatic Auto Equalizers. Controlled by the smoke evacuation system, the 7949 Series Control Box will open the door(s) to allow fresh air into building.	7949	\$3,013.00
Control Box, Pneumatic, Auxiliary 'Blow-Open', Electric Strike (ES) Relay - Auxiliary 'blow-open' control box works with or without 7901ES/7902ES Series Control Box and one or two pneumatic Auto Equalizers. Controlled by the smoke evacuation system, the 7949 Series Control Box will unlock and open the door(s) to allow fresh air into building.	7949ES	\$3,746.00

7900 SERIES CONTROL BOX COMPONENTS

CONTROL BOX COMPONENTS	Specify	Price
Muffler - Exhaust muffler for 7901, 7902, 7981, or 7982 Series control boxes.	293G	\$49.00
Fitting, "T" - "T" fitting to connect 925 pneumatic tubing.	319	\$11.00
Fitting, "Inline" - "Inline" fitting to connect 925 pneumatic tubing.	320	\$11.00
Air filter assembly - Replacement inlet air filter for the 7981 or 7982 Series control boxes.	329	\$115.00
Air filter assembly - Replacement inlet air filter for the 7901 or 7902 Series control boxes. Includes -929 air filter assembly.	329G	\$377.00
Power supply, 10T - Main power supply/input board for the 7901, 7902, 7981, and 7982 Series control boxes. Ten (10) terminals.	900	\$873.00
Timer module - 0–30 second timer module for 7901, 7902, 7981, and 7982 Series control box. Plugs into the -900 power supply board.	903	\$387.00
Pneumatic tubing - Flexible pneumatic tubing with an 1/8" inner diameter and 1/4" outer diameter. Specify number of linear feet required when ordering.	925	\$10.00/ft
Filter and seal - Internal filter and seal component to the 329G air filter assembly.	929	\$49.00
Valve assembly - Regulator valve assembly for the 7901 Series control box.	941	\$1,314.00
Valve assembly - Regulator valve assembly for the 7949 Series control box.	941C	\$1,314.00
Valve assembly - Regulator valve assembly for the 7902 Series control box.	942	\$2,548.00
Isolator - Rubber isolator for 7981 or 7982 compressor (-3960) assembly.	962	\$42.00
Solenoid assembly valve 'A' - Air valve assembly for the 7981 Series control box or the 'A' circuit valve assembly in the 7982 Series control box.	3299A	\$740.00
Solenoid assembly valve 'B' - Air valve assembly for the 'B' circuit in the 7982 Series control box.	3299B	\$806.00
Copper coupler - Converts pneumatic tubing connection to copper.	3328	\$42.00
'A' relay package - Electric strike (ES) relay for 7901 and 7982 Series control boxes or the 'A' circuit ES relay assembly used in the 7902 and 7982. Series control boxes. Can be added to a standard control box to convert to ES operation. Includes -390 Relay, relay base and wire harness. The 3390A is included when either a 7901ES, 7902ES, 7981ES or 7982ES is ordered.	3390A	\$863.00
'B' relay package - Electric strike (ES) relay for 'B' circuit in either the 7902 or 7982 Series control boxes. Can be added to a standard control box to convert to ES operation. Includes -390 Relay, relay base and wire harness. The 3390B is included when either a 7902ES or 7982ES is ordered.	3390B	\$863.00
'C' relay package - Electric strike (ES) relay assembly for the 7949 Series 'blow-open' control box. Includes -390C Relay, relay base and wire harness. The 3390C is included when a 7949ES is ordered.	3390C	\$863.00
Sequencer card - Dual, 0–30 second timer module for 7902 or 7982 Series control box. Can be added to a standard 7902 or 7982 Series control box to sequential operation. -3426 Sequencer card is included when either a 7902S or 7982S Series control box is ordered.	3426	\$575.00
Compressor service kit - Service kit for air pressure adjustment in the either the 7981 or 7982 Series control box.	3592	\$123.00
Compressor assembly - Internal air pump assembly for the 7981 or 7982 Series control box. -3960 compressor assembly includes starter capacitor, -962 isolators and -329 air filter assembly.	3960	\$3,227.00

2860IQ SERIES

The LCN® 2860IQ Senior Swing is a heavy-duty electromechanical swing door operator. Designed for a concealed mount on double door applications, this configuration is ideal for independent double door operation and features two motor gearboxes with two separate controllers. The 2860IQ can be mounted with either center or offset pivot arms, allowing flexibility for a variety of opening needs.

Actuator, 1-1/2" x 4-3/4" rectangle, logo	8310-818	\$302.00	
Actuator, 1-1/2" x 4-3/4" rectangle, logo, wireless, flush mount • (1) 8310-818 actuator, (1) 8310-844J transmitter, (1) 8310-819F flush box • Requires 8310-865 receiver	8310-3818WF	\$668.00	
Actuator, 1-1/2" x 4-3/4" rectangle, logo, wireless, surface mount • (1) 8310-818 actuator, (1) 8310-844J transmitter, (1) 8310-819S surface box • Requires 8310-865 receiver	8310-3818WS	\$668.00	
Logo with text	Specify	Price	
Actuator, 1-1/2" x 4-3/4" rectangle, logo, text	8310-818T	\$302.00	
Actuator, 1-1/2" x 4-3/4" rectangle, logo, text, wireless, flush mount • (1) 8310-818T actuator, (1) 8310-844J transmitter, (1) 8310-819F flush box • Requires 8310-865 receiver	8310-3818TWF	\$668.00	
Actuator, 1-1/2" x 4-3/4" rectangle, logo, text, wireless, surface mount • (1) 8310-818T actuator, (1) 8310-844J transmitter, (1) 8310-819S surface box • Requires 8310-865 receiver	8310-3818TWS	\$668.00	
Receiver	Specify	Price	
Receiver, wireless, 1 channel, sequencing feature • Used in conjunction with wireless transmitters	8310-865	\$359.00	
WALL MOUNT ACTUATOR - 4-1/2" ROUND			
Logo only	Specify	Price	
Actuator, 4-1/2" round, logo	8310-856	\$351.00	
Actuator, 4-1/2" round, logo, wireless, flush mount • (1) 8310-856 actuator, (1) 8310-844 transmitter, (1) 8310-868F flush box, (1) 8310-800 weather ring • Requires 8310-865 receiver	8310-3856WF	\$930.00	
Actuator, 4-1/2" round, logo, wireless, surface mount • (1) 8310-856 actuator, (1) 8310-844 transmitter, (1) 8310-868S surface box, (1) 8310-800 weather ring • Requires 8310-865 receiver	8310-3856WS	\$930.00	
Logo with text	Specify	Price	
Actuator, 4-1/2" round, logo, text	8310-856T	\$351.00	
Actuator, 4-1/2" round, logo, text, wireless, flush • (1) 8310-856T actuator, (1) 8310-844 transmitter, (1) 8310-868F flush box, (1) 8310-800 weather ring • Requires 8310-865 receiver	8310-3856TWF	\$930.00	
Actuator, 4-1/2" round, logo, text, wireless, surface mount • (1) 8310-856T actuator, (1) 8310-844 transmitter, (1) 8310-868S surface box, (1) 8310-800 weather ring • Requires 8310-865 receiver	8310-3856TWS	\$930.00	
No Logo or Text	Specify	Price	
Actuator, 4-1/2" round, wall mount, Plain/Blank – no logo, no text	8310-856P	\$351.00	
Receiver	Specify	Price	
Receiver, wireless, 1 channel, sequencing feature • Used in conjunction with wireless transmitters	8310-865	\$359.00

8310 SERIES ACTUATORS, SENSORS AND ACCESSORIES

TRANSMITTERS AND RECEIVERS, 433 MHZ		
Transmitters and receivers	Specify	Price
Transmitter, wireless, 1 channel, wall mount, 9v • Used to convert standard wall mount actuator to wireless. Requires 8310-865 receiver.	8310-844	\$342.00
Transmitter, wireless, 1 channel, jamb mount, 3v • Used to convert standard jamb mount actuator to wireless. Requires 8310-865 Receiver.	8310-844J	\$342.00
Transmitter, wireless, 1 channel, handheld, 9v • Requires 8310-865 receiver	8310-861	\$342.00
Transmitter, wireless, 2 channel, handheld, 9v • Requires at least one 8310-865 receiver	8310-862	\$342.00
Transmitter, wireless, 3 channel, handheld, 9v • Requires at least one 8310-865 receiver.	8310-863	\$342.00
Transmitter, wireless, 4 channel, handheld, 9v • Requires at least one 8310-865 receiver	8310-864	\$342.00
Receiver, wireless, 1 channel, sequencing feature • Used in conjunction with wireless actuators and transmitters	8310-865	\$359.00

BOLLARD POSTS AND KITS		
Bollard posts	Specify	Price
42" x 4" x 6" bollard post, mounting base, actuator cut-out • Requires actuator. • Can be used with 8310-853 wall mount actuator, 8310-853T wall mount actuator or 8310-855 wall mount actuator for hardwired applications. • Can be used with 8310-3853WB or 8310-3853TWB for wireless applications. • Includes 8310-866CAP. • Available in 689 Aluminum or 695 Dark Bronze (please specify).	8310-866.[Finish]	\$1,547.00
42" x 4" x 6" bollard post, mounting base, full length actuator only • Requires 8310-836T full length actuator or 8310-836TW full length actuator. • Includes 8310-866CAP. • Available in 689 Aluminum or 695 Dark Bronze (please specify).	8310-866FLA.[Finish]	\$1,547.00
Plastic cap, protective cover, service part • Formed plastic cap for 8310-866 bollard post	8310-866CAP	\$253.00
Wireless actuator bollard kits	Specify	Price
4-3/4" square with logo, wireless • For use with 8310 866 bollard post. • Includes 8310-853 actuator, 8310-844 transmitter kit. • Requires 8310-865 receiver.	8310-3853WB	\$734.00
4-3/4" square with logo, wireless • For use with 8310-866 bollard post. • Includes 8310-853T actuator, 8310-844 transmitter kit. • Requires 8310-865 receiver.	8310-3853TWB	\$734.00
Actuator, 36" x 6" full length, logo, text • Bollard post available in 689 Aluminum or 695 Dark Bronze (please specify). • Includes 8310-866FLA bollard post and 8310-836T full length actuator.	8310-3836T.[Finish]	\$3,092.00
Actuator, 36" x 6" full length, logo, text, wireless • Requires 8310-865 bollard post available in 689 Aluminum or 695 Dark Bronze (please specify). • Includes 8310-866FLA bollard post, 8310-836T full length actuator and 8310-844 wireless transmitter kit.	8310-3836TW	\$3,379.00
Receiver, wireless, 1 channel, sequencing feature • Used in conjunction with wireless actuators and transmitters	8310-865	\$359.00

8310 SERIES ACTUATOR ACCESSORIES

OPTIONAL ACTUATOR ACCESSORIES		
Weather rings	Specify	Price
Weather ring, 4-1/2" round • Can be used with any 4-1/2" round actuator	8310-800	\$41.00
Weather ring, 4-1/2" square • Can be used with any 4-1/2" square actuator	8310-801	\$41.00
Weather ring, 6" round • Can be used with any 6" round actuator	8310-802	\$41.00
Boxes	Specify	Price
Jamb box only, 1-1/2" x 4-3/4" rectangle, flush mount • Should be used on an interior installation • Can be used with any 1-1/2" x 4-3/4" jamb mount actuator	8310-819F	\$66.00
Jamb box only, 1-1/2" x 4-3/4", rectangle, surface mount • Should be used on an interior installation only • Can be used with any 1-1/2" x 4-3/4" jamb mount actuator	8310-819S	\$66.00
Box only, 4-3/4" square, flush mount • Can be used with any 4-3/4" square actuator	8310-867F	\$285.00
Box only, 4-3/4" square, surface mount • Can be used with any 4-3/4" square actuator	8310-867S	\$285.00
Box only, 4-1/2" round, flush mount • Can be used with any 4-1/2" round actuator	8310-868F	\$253.00
Box only, 4-1/2" round, surface mount • Can be used with any 4-1/2" round actuator	8310-868S	\$253.00
Box only, 6" round, flush mount • Can be used with any 6" round actuator	8310-869F	\$278.00
Box only, 6" round, surface mount • Can be used with any 6" round actuator	8310-869S	\$278.00
Box only, jamb surface mount • Should be used with 8310-813J & 8310-813JWH • For wireless transmission, the 8310-885 should be used along with the 8310-880 receiver	8310-819SJ	\$66.00
Escutcheon	Specify	Price
Escutcheon, 4-1/2" round, decorative, protective • Can be used with any 4-1/2" round actuator	8310-874	\$626.00
Escutcheon, 6" round, decorative, protective • Can be used with any 6" round actuator	8310-876	\$626.00

8310 SERIES ACTIVATION/SAFETY SENSORS

SAFETY SENSORS		
Individual activation/safety sensors	Specify	Price
Door mount safety sensor, sensor with one element • Used to sense obstruction(s) on leading edge of door	8310-804-1	\$2,118.00
Door mount safety sensor, sensor with two elements • Used to sense obstruction(s) on full face of door	8310-804-2	\$2,891.00
Header mount activation sensor, 'K' band technology	8310-875	\$1,344.00
Header mount safety sensor, 'diffused infrared' technology • Provides 'safety function' during door open and door closed position. Nine selectable/programmable patterns. • Optional 8310-859 handheld remote control can be used to program 8310-877 sensor from a distance. • Includes 8310-846 harness.	8310-877	\$2,563.00
Safety sensor kits	Specify	Price
Monitored safety sensor kit for single door applications • Contains (2) door-mounted sensors and a control hub that perform the swing door safety functions and provides the sensor monitoring required by A156.10. • All wire harnesses and mounting hardware included.	8310-878	\$7,326.00
Monitored safety sensor kit for all double door applications • Contains (4) door-mounted sensors and a control hub that perform the swing door safety functions and provides the sensor monitoring required by A156.10. • All wire harnesses and mounting hardware included.	8310-879	\$13,071.00
Activation and safety sensor package – Senior Swing single door (2) 8310-875 header mount activation sensors, (1) 8310-878 monitored safety sensor kit (includes (2) door mounted safety sensors and (1) control hub for monitoring)	8310-3881	\$10,014.00
Activation and safety sensor package – Senior Swing double door (2) 8310-875 header mount activation sensors, (1) and 8310-879 monitored safety sensor kit (Includes (4) door mounted safety sensors and (1) control hub for monitoring)	8310-3882	\$13,750.00
Activation/safety sensor package, low energy convenience, single door • Includes 8310-804-1 door mount safety sensor, 8310-805C door position switch (concealed), 8310-845 programmable relay module.	8310-3883	\$2,891.00
Safety sensor package – Senior Swing simultaneous pair • (1) 8310-877 header mount sensor, (1) 8310-877S header mount spacer, (4) 8310-804-2 door mount sensors, (2) 8310-847 harnesses • Use with Senior Swing only	8310-3891	\$12,889.00
Safety sensor package – Senior Swing independent pair • (2) 8310-877 header mount sensors, (2) 8310-877S header mount spacers, (4) 8310-804-2 door mount sensors, (2) 8310-847 harnesses	8310-3892	\$13,750.00

8310 SERIES ACTIVATION/SAFETY SENSOR ACCESSORIES

ACCESSORIES		
Switch, door position	Specify	Price
Door Position Switch (DPS), surface mount	8310-805	\$95.00
Door Position Switch (DPS), concealed	8310-805C	\$95.00
Transformer	Specify	Price
Transformer, 24v, hardwired	8310-824	\$139.00
Harness, header mount	Specify	Price
Harness, header mount • Used with 8310-877 header mount safety sensor	8310-846	\$49.00
Harness, door mount • Used with 8310-804-1 or 8310-804-2 door mount safety sensor	8310-847	\$196.00
Other	Specify	Price
Bracket, drop ceiling • Optional bracket used with 8310-875 header mount activation sensor	8310-875ECA	\$351.00
Cover, protective • Optional cover used with 8310-875 header mount activation sensor	8310-875ERA	\$237.00
Remote control, handheld • Optional handheld remote that can be used to program 8310-877 header mount safety sensor or 8310-875 header mount motion sensor	8310-859	\$302.00
Header mount safety sensor spacer • For use in applications that require door mounted & header mounted safety sensors	8310-877S	\$278.00
Wireless conversion kit, jamb mount, 3v • Converts standard jamb actuator to wireless version. • (2) 8310-844J transmitters, (1) 8310-865 receiver • Requires 8310-819s or 8310-819s	8310-3803	\$984.00
Wireless conversion kit, wall mount, 9v • Converts standard wall mount actuator to wireless version. • (2) 8310-844 transmitters, (1) 8310-865 receiver • Requires surface or flush box and weather ring	8310-3809	\$984.00
Harness, safety module, service part • Pneumatic safety module harness included in 8310-3889 safety module kit	8310-3888	\$66.00
Pneumatic safety module kit • Used with 7901, 7902, 7981, 7982 control boxes • Includes 8310-3888 safety module harness, 8310-845 time delay relay • Required when 8310-877 header mount safety sensor is used with pneumatic automatic operators	8310-3889	\$881.00

8310 SERIES ACTUATORS, SENSORS AND ACCESSORIES

ACCESSORIES		
Accessories	Specify	Price
Key switch (on/off/hold-open) • Optional switch used with Senior Swing, Benchmark, or 4600 Series operators with CS configuration.	8310-806K	\$359.00
Rocker switch (on/off/hold-open) • Optional switch with Senior Swing, Benchmark, or 4600 series operators with CS configuration.	8310-806R	\$359.00
Line filter, AC, 120v • Optional filter used with Senior Swing operators to reduce 'line noise'.	8310-807	\$359.00
Programmable relay module • Used to sequence doors and program functions outside the standard controller.	8310-845	\$554.00
Low energy automatic operator labels	Specify	Price
English caution label	155-1	\$13.00
English activation label	155-2	\$13.00
French caution label	155-3	\$13.00
English label kit, Benchmark Includes: (2) Caution (2) Activate Switch to Operate (1) Push to Activate (1) Pull to Activate	3155BM	\$49.00
French label kit, Benchmark Includes: (2) Caution (French) (2) Activate Switch to Operate (English) (1) Push to Operate (English) (1) Pull to Operate (English)	3155BMF	\$49.00
English label kit, Senior Swing Includes: (2) Caution (English) (2) Activate Switch to Operate (English) (1) Push to Operate (English) (1) Pull to Operate (English)	3155SS	\$49.00
French label kit, Senior Swing Includes: (2) Caution (French) (2) Activate Switch to Operate (English) (1) Push to Operate (English) (1) Pull to Operate (English)	3155SSF	\$49.00
