Acceptance
SARGENT® reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, QUOTE requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on SARGENT®, unless such terms and conditions are approved in a separate written agreement by SARGENT's authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by SARGENT®, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in the Purchaser's Purchase order. The terms and conditions in Purchaser's Purchase order which conflict with terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between SARGENT® and the Purchaser.

In the event that SARGENT® does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of SARGENT® to enforce or require strict performance of such term or condition in the future.

All prices are subject to change without notice and are not guaranteed.

Price Adjustments and/or Surcharges may be necessary due to a change in laws, including but not limited to, tariffs, duties and surtaxes. Any price change, if applicable, are in addition to any regularly announced price adjustments and are subject to implementation without advanced notice.

Failure to abide by this restriction may result in the Distributor's ineligibility for Price Concession Authorizations, or other actions in SARGENT's discretion.

SARGENT® and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a Distributor's request to quote a price other than SARGENT's standard list price and regardless of whether SARGENT® or its sales representatives have previously quoted discounted prices to the Distributor on some or all of its purchase orders.

If a SARGENT® product is modified it no longer meets industry certification and quality control standards applicable to the original product and is no longer a genuine SARGENT® product. A modified product may not be sold as a SARGENT® product and no SARGENT® trademarks or certification marks based on the original SARGENT® product, such as U.L. or ANSI/BHMA marks, may appear anywhere on the modified product or on any packaging, literature or instructions sold with the modified product.

All original SARGENT® packaging and literature carries SARGENT® trademarks and must be destroyed if the original SARGENT® product is modified. Portions of the product that carry a SARGENT® trademark or certification mark, such as mortise faceplates, lock bodies, etc. must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and marking are also the responsibility of the party making modification. The use of SARGENT® trademarks on modified products constitutes trademark infringement.

Fire Rated Openings:
Any retrofit or other field modification to a fire rated opening can potentially impact the fire rating of the opening, and SARGENT makes no representations or warranties concerning what such impact may be in any specific situation. When retrofitting any portion of an existing fire-rated opening, or specifying and installing a new fire-rated opening, please consult with a code specialist or local code official (Authority HavingJurisdiction) to ensure compliance with all applicable codes and ratings.

Trademark Use Policy: ASSA ABLOY Americas
The following policy ("Policy") of ASSA ABLOY Americas ("ASSA ABLOY"), and all of its affiliated group companies (collectively, the "Group Companies"), applies to the use of certain intellectual property of all such Group Companies, including all trademarks, names, logos, product images, and related information (the "ASSA ABLOY Marks"). ASSA ABLOY Marks are proprietary and critical to the success of ASSA ABLOY and the Group Companies, and may only be used in strict compliance with this Policy.

This Policy covers any person or entity reselling any product of any Group Company with the consent of such Group Company (each, an "Approved Reseller"). Each Approved Reseller has a non-exclusive right to use certain of the ASSA ABLOY Marks relating to any of the Group Companies for which it is an Approved Reseller, subject to the following conditions:

(1) Approved Reseller's use of ASSA ABLOY Marks must be truthful, fair, and not misleading;
(2) Approved Reseller's advertising must clearly indicate that it is advertising of the Approved Reseller, and is not advertising of ASSA ABLOY;
(3) Approved Reseller may not use any ASSA ABLOY Marks as part of or in connection with a domain name;
(4) Approved Reseller's advertising must not imply or suggest an association between the Approved Reseller and ASSA ABLOY other than that of buyer and seller;
(5) Approved Reseller's use of ASSA ABLOY Marks must be a positive representation of ASSA ABLOY, the Group Companies, and their products;
(6) Approved Reseller's trade name must be more predominant on Approved Reseller's advertising than the ASSA ABLOY Marks;
(7) Approved Reseller's use of ASSA ABLOY Marks must include the trademark symbol ® or TM, as appropriate, along with the following trademark legend printed in legible text on the Web page or document containing ASSA ABLOY Marks: "[describe ASSA ABLOY Marks] are trademarks or registered trademarks of ASSA ABLOY, Inc. or one of its affiliates in the United States and other countries.";
(8) Approved Reseller must not make modifications of any ASSA ABLOY Marks; and
(9) Approved Reseller may use only ASSA ABLOY Marks associated with the Group Companies for which it is an Approved Reseller (e.g., an Approved Reseller that sells Group Company X products but not Group Company Y products may use Group Company X trademarks in connection with its sale of Group Company X products, but may not use Group Company Y trademarks).
